

UPHOLSTERY CLEANING

CHOOSE YOUR WEAPON

Our upholstery cleaning services is powered by **GRUENHEIM**.

OPTION A – STEAM CLEANING HYDROVACUUM + STEAM CLEANING

Extract unwanted dirt and allergens from your furniture/upholstered items with our powerful GHV1 Hydrovacuum with ecological pure water filtration system that traps more dirt compared to standard vacuums. Kill germs and bacteria using our Gruenheim GHS1 and GHS2 steam cleaning system's 170°C heat and high-powered pressure.

Recommended for regular cleaning and sanitation.

OPTION B – DEEP CLEANING HYDROVACUUM + ANTIBACTERIAL SHAMPOO + STEAM CLEANING + DRYING

Remove reversible stains and malodour from your upholstered items with our antibacterial leave-on shampoo, on top of our Option A offerings. We will carefully dry your furniture on the same day to prevent the development of moulds and unwanted odour.

Recommended for removal of visible stains and malodour.
